

CAPABILITY STATEMENT

Jack & Sons
WELDING AND FABRICATING LLC

An Affiliate of United Technical, Inc.

Why Jack & Sons? We are a unique CNC machining, fabricating and welding company with more than 70 years of combined experience working with military and defense contractors. We have worked extensively with the tough materials others won't touch: MIL-DTL-12560 armor, MIL-DTL-46100 high hard armor and titanium. In addition, our defense industry experience makes us intimately familiar with military specifications and first article inspection processes. Our senior estimator has quoted defense-related parts for more than 10 years.

CORE COMPETENCIES

- Advanced CNC Machining, Cutting, Bending and Sawing Capabilities
- Complex Fixturing and Assemblies
